

Palco Toys

Company Introduction

Who are we?

Palco International Ltd was founded in Hong Kong back in 1976 and is led by a team of toy industry experts, spearheaded by Mr Jerverly Ho.

Our business revolves around O.E.M, which offers a wide range of customization options to meet the specific requirements of our clients.

Our factory, Eastern Progress, a subsidiary of Palco, is located in Dongguan while our operating office is in Hong Kong.

Mission

To create high-quality and safe plastic toys and all of our products that inspire creativity and imagination in children while adhering to ethical and sustainable manufacturing practices.

Mission

To create high-quality and safe plastic toys and all of our products that inspire creativity and imagination in children while adhering to ethical and sustainable manufacturing practices.

Our services

Manufacturing Evaluation

We work with you to create a prototype and refine the design until it meets your specifications and begins bulk production only with your consent.

We identify reliable suppliers, mitigate risks, and build long-term partnerships to improve the overall efficiency of the supply chain.

Product Testing

In-house testing labs and experienced professionals are dedicated to providing reliable and accurate results, creating safe & high-quality toys for your customers.

Product Safety

Comprehensive product safety services, including hazard analysis, risk assessment, and compliance testing.

Logistics

We work with trusted logistics partners to provide seamless transportation, warehousing, and distribution services.

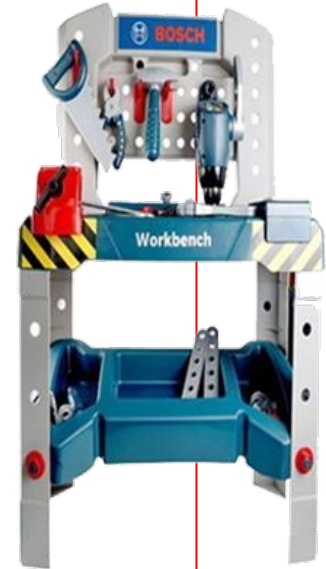

Manufacturing: Licensed Characters & Collectors' Toys

- We offer OEM services for licensed characters and collectors' toys.
- Our OEM services include product design, manufacturing, and packaging, ensuring that your custom toys are exactly what you're looking for.

Manufacturing: Educational & Animal Toys

- We specialize in creating high-quality toys for children that are both fun and educational.
- Designed to help children develop important skills such as problem-solving, critical thinking, and creativity, all while having fun.
- Additionally, we have good experience making animal toys that are perfect for children who love animals.

Manufacturing: Drinkware / Bottles

- Our drinkware are made with high-quality materials that are designed to last.
- Our drinkware are also designed to keep your drinks at the perfect temperature for hours, whether you're looking to keep your coffee hot or your water cold.
- Whether you're looking for a simple water bottle or a stylish travel mug, we have the perfect drinkware for your needs.

Manufacturing: Light & Sound Electronic Toys

- Our team of designers and engineers uses the latest technology to create toys that incorporate exciting light and sound effects, providing a multi-sensory experience that appeals to children of all ages.
- We offer a wide range of products, including musical instruments, educational tablets, robots, and interactive plush toys.
- Our toys are designed to promote cognitive development by incorporating educational content and interactive features that encourage exploration and learning.

Manufacturing: Novelty & Home Decorative Items

- Our experienced team of designers and engineers works closely with our clients to create custom products that are tailored to their specific needs and requirements.
- We use high-quality materials and expert craftsmanship to ensure that our products are both beautiful and functional.

Manufacturing: Outdoor Toys

- Our experienced team of designers and engineers works closely with our clients to create custom outdoor toys that are both functional and aesthetically pleasing.
- We also place a high priority on safety and adhere to rigorous safety standards to ensure that our products are safe for children to use.
